Yes, to add,

She was looking for an "employment needs list," specifically a list of what jobs may be available during the construction of 50& 51.

Hi Cheryl,

Ms. Vincent wants to be prepared for hiring that will happen as a result of Block 50/51 construction. Thus she wants to have a list of employment opportunities. I am copying Terry who was present when the request was made.

Thanks,

Cheryl,

At the last Executive Subcommittee Meeting, Ms. Vincent requested numbers for upcoming job opportunities - primarily related to Block 50/51 construction. Can you present this information at the next B&E meeting. George from Contract Compliance is not available for the May 16 B&E meeting, but will be providing a local hiring presentation at one of the subsequent meetings and may refer back to your numbers.

Thanks,
Amabel
